Any status - [Issued patents](#) - [Applications](#) Patents 1 - 20 on data recovery database passw

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

[System and method for single sign-on to a plurality of network elements](#)

US Pat. 5944524 - Filed Apr 30, 1997 - MCI Communications Corporation

Next, the process continues with user password recovery in an NE 360. ... All user account and NE data are maintained in a database, called DCE registry, ...

[Information replication system having automated replication storage](#)

US Pat. 6978262 - Filed Sep 4, 2001 - EMC Corporation

The client control module running on the mount host receives the data ... The user can then recreate a password file and execute the recovery manually. ...

[System for backing up files from disk volumes on multiple nodes of a ...](#)

US Pat. 5778395 - Filed Oct 23, 1995 - Stac, Inc.

Note that, although the presence of this User Account Database does allow a hacker to ... giving him the 45 assigned user name and (temporary) password. ...

[System and method for selective information exchange](#)

US Pat. 6820204 - Filed Mar 31, 2000

A preferred embodiment of a password recovery process includes the steps of, ... The registered user may create a view of one or more data elements, ...

[Network-based multimedia communications and directory system and method of ...](#)

US Pat. 5740231 - Filed Sep 16, 1994 - Octel Communications Corporation

The communications system of the using a password to access the message. ... Disaster Recovery tation of the person's name either as text data or as an ...

[Subscription access system for use with an untrusted network](#)

US Pat. 6516416 - Filed Jun 11, 1997 - Prism Resources

The specific operations provided are data recovery, data dump, and data ... password, and if it authenticates successfully, it will force the user to login. ...

[Network-based multimedia communications and directory system and method of ...](#)

US Pat. 6064723 - Filed Apr 7, 1998 - Octel Communications Corporation

Disaster Recovery The master database 151 includes, as described previously ... to the subscriber may have data stored in the subscriber's user profile that ...

[Telecommunication access management system for a packet switching network](#)

US Pat. 5113499 - Filed Apr 26, 1989 - Sprint International Communications Corp.

The Log File on the data base remaining VHS. In the VS, password change requests contains the date/time of the entry, log code and mes- are sent to the VH ...

[System and method for modifying software residing on a client computer that ...](#)

US Pat. 6457076 - Filed Sep 13, 2000 - Networks Associates Technology, Inc.
Current State The current state 911 is a data store of data describing the present operation of the client application 104, including for example, user ...

System and method for private addressing plans using community addressing

US Pat. 5621727 - Filed Jul 7, 1995 - Octel Communications Corporation

Secure messages are received by using a password to access the message. ...

Disaster Recovery The master database 151 includes, as described previously ...

System for providing business information

US Pat. 6301574 - Filed Nov 6, 1998 - Efirms.com, Inc.

Optionally, a password may be required of the contractor, as seen at step 110.

... Once the contractor information is entered into the database 16 by one or ...

System and method for real-time, personalized, dynamic, interactive voice ...

US Pat. 6656093 - Filed Dec 7, 1999 - Microstrategy, Incorporated

According to one embodiment, the calls are sent to a call database, ... and also determine if the request contains a valid ID/password combination. ...

System and method for the creation and automatic deployment of personalized ...

US Pat. 6606596 - Filed Dec 7, 1999 - Microstrategy, Incorporated

According to one embodiment, the calls are sent to a call database, ... and also determine if the request contains a valid ID/password combination. ...

Method of customizing a browsing experience on a world-wide-web site

US Pat. 6734866 - Filed Dec 21, 1999 - PersonalPath Systems, Inc.

The user database 44 is a table which lists each User by UAI and includes (but ... In password recovery, the user is challenged by the Certificate Authority ...

Shared internet storage resource, user interface system, and method

US Pat. 6351776 - Filed May 12, 2000 - XDrive, Inc.

This bean is applicable to the file database 150, as well as user disks 970 ...

The data transmitted by the URL is then saved in temporary X:Drive space in ...

Method and apparatus for updating distributed databases in a ...

US Pat. 5974429 - Filed Sep 3, 1997 - Northern Telecom Limited

By this means the transaction journal 32 is generated as required by a snapshot query of the user data stored in the database. ...

Two-phase cryptographic key recovery system

US Pat. 5937066 - Filed Oct 2, 1996 - International Business Machines Corporation

In the Fischer scheme, the user has a secret password which is escrowed. ...

and hashing the resultant data block with a strong one-way hash function (eg, ...

System and method for automatically providing shipping/transportation fees

US Pat. 6233568 - Filed Jun 29, 1998 - E-Stamp Corporation

Thus, the PDF417 symbology is 15 vide for input from a user via keyboard 15 and

... communicated to the database, or a copy thereof, for real-time 40 ...

System and method for controlling the dispensing of an authenticating ...

US Pat. 5778076 - Filed Aug 16, 1995 - E-Stamp Corporation

The master password More sophisticated graphical security interfaces have ...

registered user's database, a registration card password must be input so they ...

Method and apparatus for displaying an interactive television program guide ...

US Pat. 5844620 - Filed Nov 29, 1995 - General Instrument Corporation

The guide allows a user to determine the attributes of programming ... The database pages contain schedule data for time periods 50 beyond a current period, ...

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Subscription access system for use with an untrusted network

US Pat. 6516416 - Filed Jun 11, 1997 - Prism Resources

The specific operations provided are data recovery, data dump, ... The login CGI's 68 encrypts the subscription access server's password using the challenge ...

Key recovery system

US Pat. 6185306 - Filed Mar 26, 1998 - Fujitsu Limited

18 shows an embodiment of a key recovery system the password response message to the communications 50 in which a key recovery unit 51c and a data recovery ...

AUTOMATIC CASH DISPENSER AND SYSTEM AND METHOD THEREFOR

US Pat. 3862716 - Filed Jan 14, 1974

An apparatus according to claim 20 wherein said term, the encrypted value of said secure card property 3:) data recovery means measure a registration ...

[APPLICATION] System and method for online data recovery service

US Pat. App 9/779,914 - Filed Feb 8, 2001

Asystem for an online data recovery service, in which when a client system has ... Including a subscriber database (DB), authenticating the client system; ...

[APPLICATION] Home network system and method for operating the same

US Pat. App 10/376,292 - Filed Mar 3, 2003 - LG Electronics Inc.

[0031] The data recovery request unit 320 receives a control signal ... unique ID and a password allocated to the home network system to the portal server. ...

System for controlling access and distribution of digital property

US Pat. 6214409 - Filed Oct 26, 1998 - Veridian Information Solutions

Key Escrow (Data Recovery) Systems This system allows a provider of key escrow ... configuration control rules); user and password lists, and the like. ...

Method and apparatus for secure data storage using distributed databases

US Pat. 6363481 - Filed Aug 3, 1998 - Nortel Networks Limited

A method comprising: establishing a password associated with a received block of data, ... The apparatus of claim 8, further comprising: data recovery logic ...

Secure data storage and retrieval in a client-server environment

US Pat. 7010889 - Filed Aug 21, 2000 - International Business Machines Corporation

This allows data recovery to be done in pieces which may be useful for audio or ... the file's directory entry, in a local database or combinations thereof. ...

[APPLICATION] Method and system for disaster recovery of data from a storage device

US Pat. App. 10/437,532 - Filed May 14, 2003

At this point, the new password and the new SSC secret key will be active and ready to be utilized for a disaster recovery operation. Data recovery in cases ...

Method and apparatus for theft deterrence and secure data retrieval in a ...

US Pat. 6450096 - Filed Jul 8, 1998 - Motorola, Inc.

Encryption and password protection for such devices may limit some access to these devices, but further theft deterrence and secure data recovery can be ...

[APPLICATION] Apparatus and method for protecting data on computer hard disk and computer ...

US Pat. App. 10/473,038 - Filed Sep 26, 2003

In addition, the hard disc protection program can perform data recovery in response to ... When the user selects "Change password", the hard disc protection ...

[APPLICATION] Digital data preservation system

US Pat. App. 10/000,407 - Filed Nov 2, 2001 - Eastman Kodak Company

Store index entry corresponding to file, in standard database. ... 20 then processes the request, in conjunction with a data recovery processor 62, ...

Cryptographic protection of core data secrets

US Pat. 6389535 - Filed Oct 13, 1998 - Microsoft Corporation

In addition, data recovery information is escrowed so that keys can be recovered when a user's password is changed. Application Program 55 Claims, ...

[APPLICATION] [RECOVERY METHOD FOR MOBILE PHONE DATA]

US Pat. App. 10/604,170 - Filed Jun 30, 2003

Field of Invention [0002] The present invention generally relates to a data recovery method, and more particularly, to a recovery method for mobile phone ...

Method and structure for securing access to a computer system

US Pat. 5475839 - Filed Nov 16, 1994 - National Semiconductor Corporation

... data recovery (correction) should one of the tables become corrupted. ... authorization information is a password which differs from a password used to ...

[APPLICATION] U.S. Patent 10197257

US Pat. App. 10/197,257 - Filed Jul 18, 2002

[0106] Typically, the Access database of the database system 16 is stored on a ... a Replication display 40; a Data Recovery display 42 and a Return Media ...

[APPLICATION] System and method for securing transactions and computer resources with an ...

US Pat. App. 10/230,638 - Filed Aug 29, 2002

The specific operations provided are data recovery, data dump, ... The login CGI's 68 encrypts the secure transaction server's password using the challenge ...

[APPLICATION] SUBSCRIPTION ACCESS SYSTEM FOR USE WITH AN UNTRUSTED NETWORK

US Pat. App. 8/672,710 - Filed Jun 11, 1997 - Prism Resources

During a data recovery, the site administration CGI's 76 send a DR (data ... The login enforcer then sends a login command in its encrypted password to the ...

Shared internet storage resource, user interface system, and method

US Pat. 6351776 - Filed May 12, 2000 - XDrive, Inc.

The database of metadata (the metadatabase) and the network-attached storage ...
Password protection or other security protocols may be used to limit or ...

[APPLICATION] [Data recovery for virtual ordered writes for multiple storage devices](#)

US Pat. App 10/724,670 - Filed Dec 1, 2003

Two of the bytes are a "password" that indicates whether the slot 120 is being

... In other embodiments, the password may be one byte while the following ...

Computer security system having a password recovery function which displays ...

US Pat. 6067625 - Filed Nov 25, 1997 - Samsung Electronics Co., Ltd.

The video controller 20 has a video memory 22 to store screen-bound data and a

... There, the encrypted password can be decoded and the password recovery is ...

System and method for selective information exchange

US Pat. 6820204 - Filed Mar 31, 2000

Every time a data element is stored on the information exchange system, ...

A preferred embodiment of a password recovery process includes the steps of, ...

[APPLICATION] Method and apparatus for court date calculation engine

US Pat. App 10/201,563 - Filed Jul 22, 2002

A "Password Recovery" page 214 is displayed after the user enters their e-mail address for the account and their date of birth. This data is verified when a ...

Method of customizing a browsing experience on a world-wide-web site

US Pat. 6734886 - Filed Dec 21, 1999 - PersonalPath Systems, Inc.

After uploading to the Web server 54, the clinical data is stored on the Web site

10 in ... In password recovery, the user is challenged by the Certificate ...

[APPLICATION] Method and apparatus for management of court schedules

US Pat. App 10/201,598 - Filed Jul 22, 2002

A "Password Recovery" page 214 is displayed after the user enters their e-mail address for the account and their date of birth. This data is verified when a ...

[APPLICATION] U.S. Patent 9854525

US Pat. App 9/854,525 - Filed May 15, 2001

One such password recovery tool is the Proof of Concept tool, available at ...

The method comprises encrypting the data records stored on the device, ...

Method and system for secure registration, storage, management and linkage ...

US Pat. 7155739 - Filed Jan 16, 2001 - JBIIP, LLC

Network interface layer protocols 208 specify 10 how to organize data into frames

... embodiment for Master Authentication Credentials' password recovery. ...

Method and apparatus for digitally signing an advertisement area next to a ...

US Pat. 7240037 - Filed Oct 18, 2000 - Stamps.com

6A-6C are exemplary flow process diagrams for password recovery according to ...
to a database subsystem and secure customers' related data, among others. ...

Data processing system and method for remote recovery of a primary password

US Pat. 6975365 - Filed Mar 1, 2000 - International Business Machines Corporation

Held, "Password Recovery Windows Toolkit", 1998, International Journal of ...

Dillon & Yudell LLP (57) ABSTRACT A data processing system and method are ...

[APPLICATION] Method and apparatus for enrolling with multiple transaction environments

US Pat. App 10/609,792 - Filed Jun 27, 2003

... system 111 may involve submitting data related to, for example, a user name,
a user password, a reconfirmation password, a password recovery question, ...

[APPLICATION] Secure remote management appliance

US Pat. App 10/461,827 - Filed Jun 13, 2003

The Call Test Server will then transmit some random data ... console to view boot
messages and/or enter commands to perform password recovery remotely. ...

[APPLICATION] Privacy and security method and system for a World-Wide-Web site

US Pat. App 9/747,331 - Filed Dec 21, 2000

... a login page 16 into which a registered uses to gain access to the data on
the Web site 10; an account recovery page 18; a password recovery page 20; ...

[APPLICATION] Method for selling marine cargo insurance in a network environment

US Pat. App 9/342,078 - Filed Aug 28, 2001

Password recovery functionality is provided as part of this service. ... 9] 2-D4

The user performs data entry of the required fields for a quote to be ...

[APPLICATION] Method and system for secure registration, storage, management and linkage ...

US Pat. App 9/759,225 - Filed Jan 16, 2001

... thus disabling the password recovery functionality altogether. ... The data
points for these common information requests may be stored for each user in ...

[APPLICATION] Remote portable and universal smartcard authentication and authorization device

US Pat. App 10/215,888 - Filed Aug 8, 2002

[0033] As discussed above, the authentication data may be delivered through ...
for example), as well as numerous password recovery techniques used to sniff ...

[APPLICATION] Method of customizing a user's browsing experience on a World-Wide-Web site

US Pat. App 10/689,988 - Filed Oct 22, 2003

The Web site operator then indexes the de-identified medical data by UAI. ...
an account recovery page 18; a password recovery page 20; and a search engine ...

Machine dependent login for on-line value-bearing item system

US Pat. 7251632 - Filed Oct 18, 2000 - Stamps.com

... and provide for recovery of the database to minimize or eliminate the loss of
data. ... logging into the system, password recovery, and printing a VBI. ...

[APPLICATION] Out-of-band remote management station

US Pat. App 10/461,820 - Filed Jun 13, 2003

A modem can often be configured by having the Data Terminal Equipment (DTE) it is

... It would be useful to be able to perform password recovery without ...

[APPLICATION] Apparatus, systems and methods for online, multi-parcel, multi-carrier ...

US Pat. App 9/820,377 - Filed Mar 27, 2001

[0024] The System generates a set of printable shipping label data in response

... 8 through 11 are graphic representations of exemplary Password Recovery ...

System and method for selective information exchange

US Pat. 6820204 - Filed Mar 31, 2000

First, the registered user selects one or more users and one or more data elements.

For each user, the key chain database is searched for every record ...

Method of customizing a browsing experience on a world-wide-web site

US Pat. 6734886 - Filed Dec 21, 1999 - PersonalPath Systems, Inc.

After uploading to the Web server 54, the clinical data is stored on the Web site

10 in the user database 44. The user database 44 is a table which lists ...

Computer security system having a password recovery function which displays ...

US Pat. 6067625 - Filed Nov 25, 1997 - Samsung Electronics Co., Ltd.

If the user has entered the user ID number at step S42, the current set user ID data is read from the memory and another determination is made at step S44 ...

[APPLICATION] Method and apparatus for court date calculation engine

US Pat. App. 10/201,563 - Filed Jul 22, 2002

The data in this table is also used when displaying formulas to the user in a hierarchical folder format. [0042] A user database 106 is included in the ...

US Pat. App. 10/608,792 - Filed Jun 27, 2003

Each database may be organized in any suitable manner, including as data ...

system 111 obtains the data, user 109 and/or transponder system 113 may be ...

[APPLICATION] U.S. Patent 9854525

US Pat. App 9/854,525 - Filed May 15, 2001

One such password recovery tool is the Proof of Concept tool, available at ...
such as a user or an application, accessing the data records in a database. ...

Method and system for secure registration, storage, management and linkage ...

US Pat. 7155739 - Filed Jan 16, 2001 - JBIIP, LLC

The database servers have redundant configurations that provide full ...
not require that the user input all of the User Profile data initially and/or ever. ...

[APPLICATION] Method and system for secure registration, storage, management and linkage ...

US Pat. App 9/759,225 - Filed Jan 16, 2001

The inventive system will search the inventive system's network database of ...
storing and managing Authentication Credentials and User Profile data for ...

Machine dependent login for on-line value-bearing item system

US Pat. 7251632 - Filed Oct 18, 2000 - Stamps.com

The system also includes a database for all users' information. ... for each user
that stores that user's information, however, data specific to that user ...

[APPLICATION] Method of customizing a user's browsing experience on a World-Wide-Web site

US Pat. App 10/689,988 - Filed Oct 22, 2003

3 is a block diagram illustrating the transfer of user data from the Health ...
a password recovery page 20; and a search engine 22 which a user may use to ...

[APPLICATION] Privacy and security method and system for a World-Wide-Web site

US Pat. App 9/747,331 - Filed Dec 21, 2000

These databases include a user database 44 which contains ... V4.0 Service Pack
5; Microsoft IIS Option Pack v4; and Microsoft Data Access Components. ...

[APPLICATION] Method for selling marine cargo insurance in a network environment

US Pat. App 9/342,078 - Filed Aug 28, 2001

Password recovery functionality is provided as part of this service. ... 9] 2-D4
The user performs data entry of the required fields for a quote to be ...

[APPLICATION] Apparatus, systems and methods for online, multi-parcel, multi-carrier ...

US Pat. App 9/820,377 - Filed Mar 27, 2001

[0024] The System generates a set of printable shipping label data in response
to a shipping label print request by a user and sends the set of printable ...

[APPLICATION] Secure remote management appliance

US Pat. App 10/461,827 - Filed Jun 13, 2003

This can reduce long distance charges and provide for a faster connection when
the primary data network connection(s) are up. In addition, the user has the ...

[APPLICATION] Out-of-band remote management station

US Pat. App 10/461,820 - Filed Jun 13, 2003

The remote user has access to a calculator or method of encrypting the random
.... It would be useful to be able to perform password recovery without ...

System and method for establishing historical usage-based hardware trust

US Pat. 7174454 - Filed Jun 18, 2003 - America Online, Inc.

The 10 usage history is updated every time a user is authenticated from the ...

password recovery and conflict resolution 20 between the legitimate user ...

[APPLICATION] System and method for establishing historical usage-based hardware trust
US Pat. App 10/465,163 - Filed Jun 18, 2003

In the case of lost or stolen passwords, the enhanced hardware-based trust
facilitates password recovery and conflict resolution between the legitimate user ...

Database recovery apparatus and method of using dual plane nonvolatile memory

US Pat. 5913219 - Filed Feb 4, 1997 - Electronics and Telecommunications Research Institute

As described above in conjunction with the construction and operation of the data recovery apparatus, since the database recovery apparatus of the present ...

Method and apparatus for insuring database data integrity without data ...

US Pat. 6651073 - Filed May 23, 2000 - International Business Machines Corporation

6A illustrates a flowchart of a method for inserting large data objects into a database table as illustrated in FIG. 3 without requiring data recovery ...

System and method for providing a backup copy of a database

US Pat. 5594900 - Filed Mar 22, 1995 - International Business Machines Corporation

The invention also provides a recovery method for a computer database system which ... the recovery method comprising updating the remote database data by ...

System and method for improving data recovery performance

US Pat. 5581750 - Filed Mar 15, 1993 - International Business Machines Corporation

One advantage is that DBMS data availability is improved because less logs are scanned during a database recovery operation. Another advantage is that ...

Database recovery to any point in time in an online environment utilizing ...

US Pat. 6732123 - Filed Feb 23, 1998 - International Business Machines Corporation

These change accumulation database data sets are used as input during database recovery. In order to create the change accumulation data, ...

Computer program product and program storage device for improving data ...

US Pat. 5561798 - Filed Jun 7, 1995 - International Business Machines Corporation

In the prior art, as disclosed by Cms, RA, "Data Recovery in IBM Database 2", IBM System Journal, Vol. 23, No. 2, 1984, in order to minimize the amount of ...

Method for managing database recovery from failure of a shared store in a ...

US Pat. 5280611 - Filed Nov 8, 1991 - International Business Machines Corporation

RA Crus, "Data Recovery in IBM Database 2", The challenge in the prior art has been to bound the IBM Systems Journal, Vol. 23, No. ...

System and method for arranging database restoration data for efficient data ...

US Pat. 6085200 - Filed Dec 23, 1997 - Unisys Corporation

17 18 audit data banks. Transaction termination does not need to 5. ... A method for collating database recovery information 20 10. ...

Data recovery system and data recovery program recorded medium

US Pat. 6206918 - Filed Oct 7, 1998 - Toyota Jidosha Kabushiki Kaisha
FIG. shows a flowchart of data recovery processing performed by the controller 10.
First, if a portion of the data 60 stored in the database 16 fails and ...

System and method for analyzing coupon redemption data
US Pat. 6230143 - Filed Nov 11, 1998 - Valassis Communications, Inc.
... data extracted from the database by the extract module; a data recovery system,
... transmitted by the data recovery system to upload into the database; ...

Method and mechanism for relational access of recovery logs in a database system
US Pat. 6616622 - Filed Jan 3, 2000 - Oracle International Corporation
Since recovery logs effectively become a historical repository for all changes
made to the database data, the 45 information recorded in the recovery logs ...
